$\frac{1}{1}$	$\frac{1}{2}$	$\frac{1}{4}$	$\frac{1}{8}$

Her er det  $\frac{4}{4}$  takt:

Nevneren angir noteverdien til pulsen i musikken, i dette tilfellet står firetallet for en fjerdedelsnote. Telleren forteller hvor mange slike som finnes i hver takt. Dette eksemplet beskriver en taktart der hver takt har en lengde lik fire fjerdedelsnoter.
