<u>Helnote</u>	<u>Hvilenote</u>	<u>Gånote</u>	<u>Løpenote</u>

Her er det  $\frac{4}{4}$  takt:

Nevneren angir noteverdien til pulsen i musikken, i dette tilfellet står firetallet for en fjerdedelsnote. Telleren forteller hvor mange slike som finnes i hver takt. Dette eksemplet beskriver en taktart der hver takt har en lengde lik fire fjerdedelsnoter.
